

BYOD Sign Up guide.

This guide is intended to show the simple process of account signup for parents to be able to browse the available devices for their child's school's BYOD program.

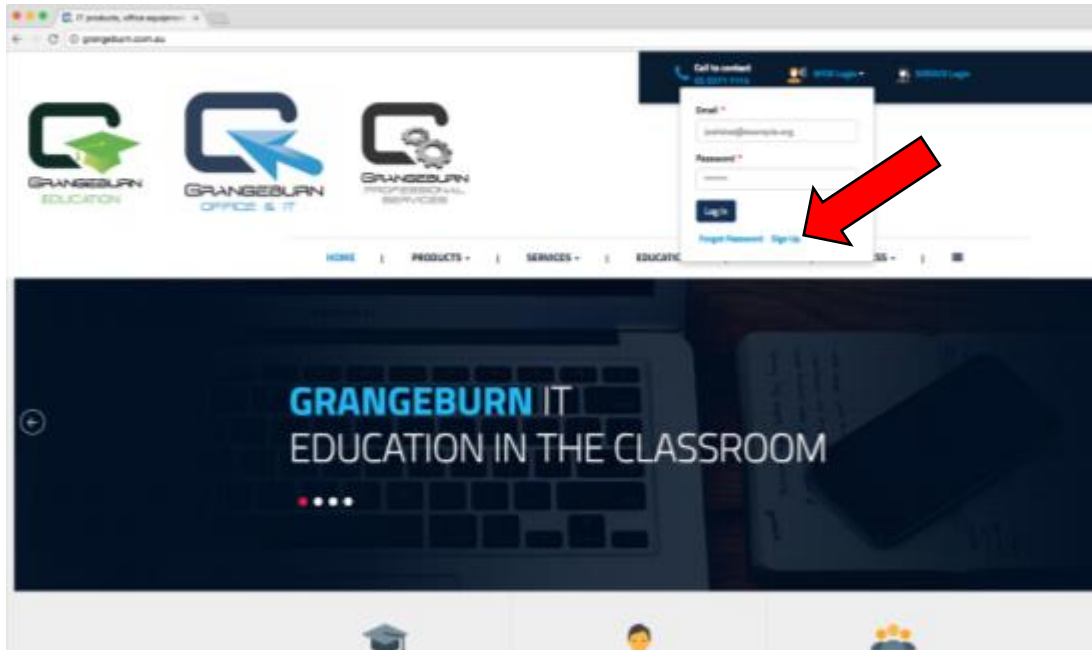

1. On your computer, tablet or phone go to the Grangeburn website.

<https://grangeburn.com.au/>

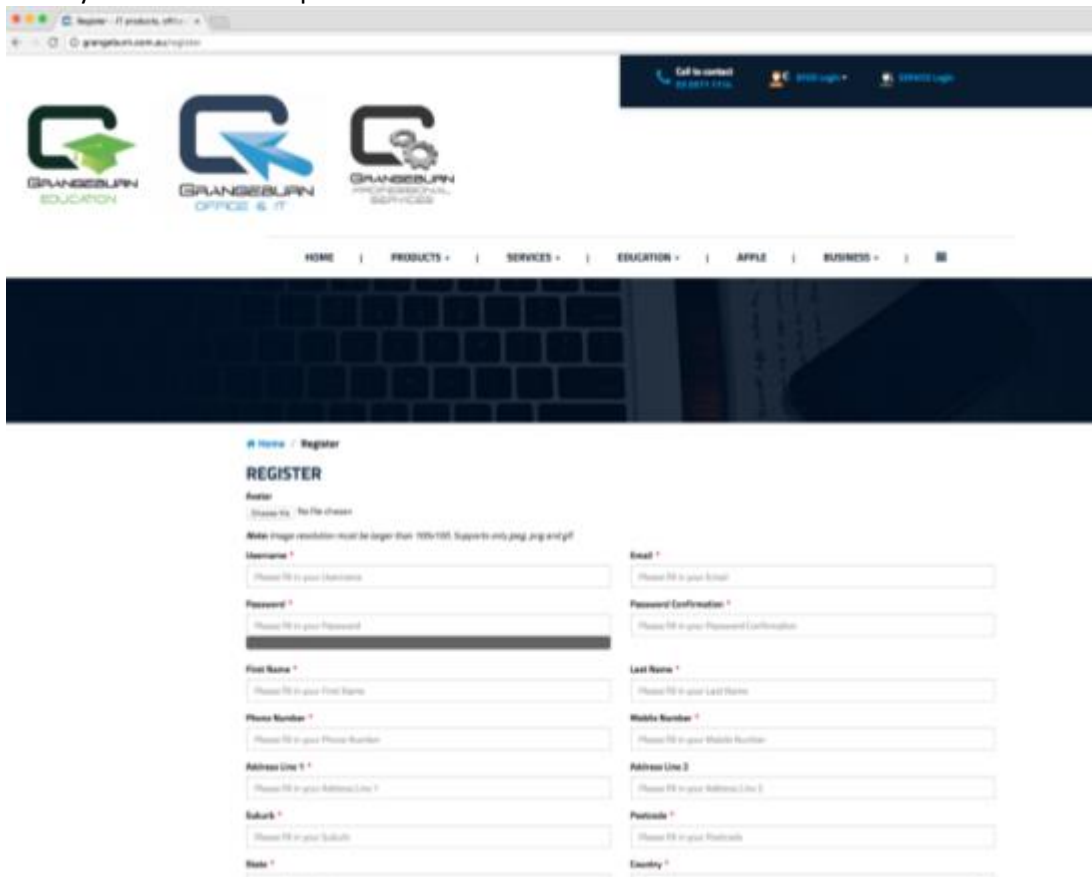

2. On the home page select "BYOD Login" 

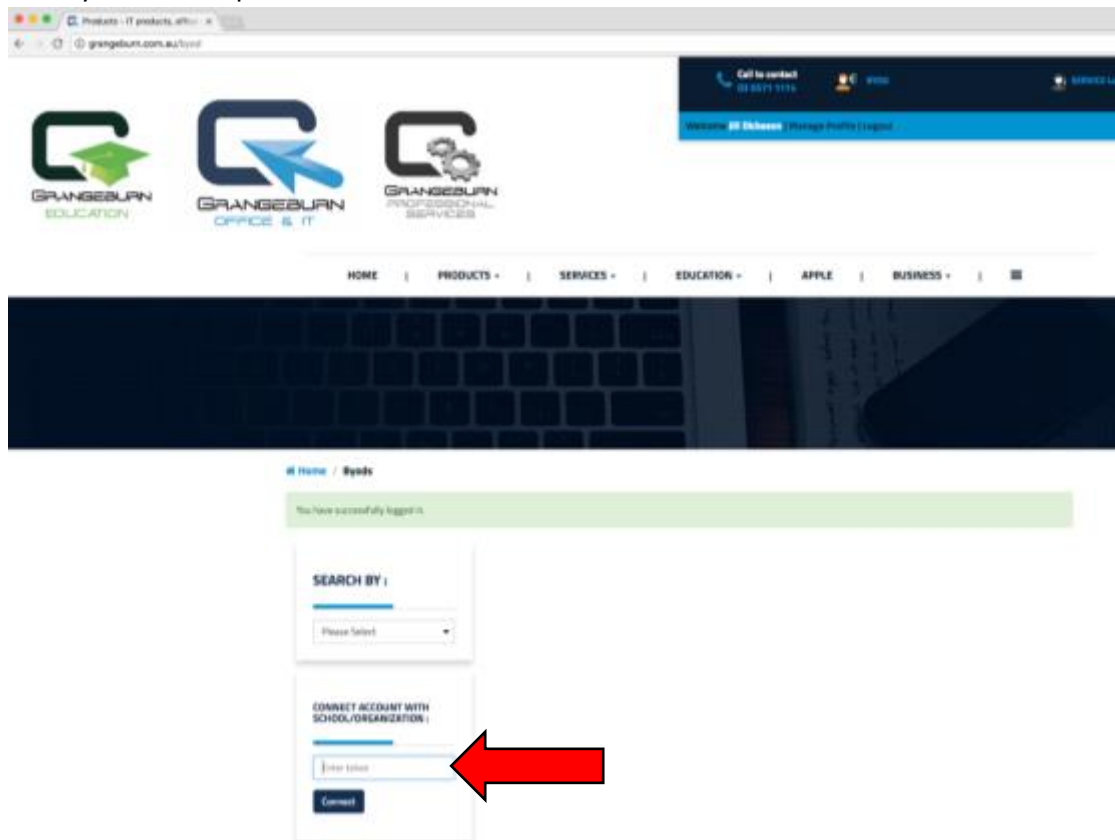

3. Select the sign up button on the bottom of the little pop up window.

4. Enter you details to setup an account.

5. Once an account is created it will need to be associated with a school. This is where you enter your school specific code.

6. Once you are associated with your school select your search criteria and start browsing the available products.
