

Child Safety Code of Conduct Policy

Objective:

This Child Safety Code of Conduct outlines appropriate standards of behaviour for all adults towards students. The Code serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the school environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations. Where a staff member breaches the Code, we may take disciplinary action, including in the case of serious breaches, summary dismissal. The Code is revised annually.

We have the following expectations of behaviours and boundaries for all adults interacting with students within our community. This includes all teaching staff, non-teaching staff, governing body members, volunteers (direct and indirect), third party contractors, external education providers and parents/carers.

Our governing body has endorsed this Child Safety Code of Conduct.

- Develop 'special' relationships with students that could be seen as favouritism (for example, the offering of gifts or special treatment for specific students).
- Engage in undisclosed private meetings with a student that is not your own child.
- Engage in meetings with a child that is not your own, outside of school hours and without permission from the school and the child's parent.

Report Any Concerns:

The Program also includes information for governing body members, staff and Direct Contact Volunteers as to how to identify key risk indicators of child abuse and how to report child abuse concerns to one of our nominated Child Protection Officers.

It also contains detailed procedures with respect to the reporting of child abuse incidents to relevant authorities.
