Christian Education Kindergarten to Year 12

STUDENT UNIFORM REGULATIONS

Introduction

This document outlines the College uniform and presentation standards at King's College. The College uniform helps foster the identity of King's College. It helps establish equality, inclusion and sense of belonging.

Students are required to wear the regulation uniform within the College grounds, travelling to and from College and when engaged in College-organised events and activities. On occasions when non-uniform attire is more appropriate, parents and students will be informed beforehand.

Implementation

The items that constitute the regulation College uniforms, for daily wear and for sport and related activities, are outlined in this booklet.

When a student is in school uniform (whether at school or in the community) it is expected that they wear it correctly; it is most important, therefore, that:

- all members of our College community accept these guidelines as being a reasonable for an independent Christian school
- all members of our College community are familiar with these guidelines and actively support their outworking; and
- all students understand that it is their responsibility to wear their uniform correctly and support these guidelines

On a day when it is not possible for a student to wear a particular uniform item, a written note from the parent/carer explaining the situation is required.

- In the Junior School, students should give uniform notes to their class teacher at the commencement of the school day.
- In the Middle and Senior School, students should show uniform notes to their Home Group teacher at the commencement of the school day then carry the note in an easily accessible pocket throughout the day.

Sporting Teams/Excursions

Students who leave the College with a sporting team or on an excursion are representing the College and are expected to be ambassadors of the College. Students not complying with uniform expectations may not be permitted to leave the College with their sporting team or group.

Uniform Shop

Both the New Uniform shop and the Used Uniform shop (convened by the PTFA) are staffed by volunteers. All uniform items listed are to be purchased from the College uniform shop unless they are listed with a '*' notation. Such items can be purchased elsewhere and stock is generally not maintained at the College.

The New Uniform shop and Used Uniform shop are located in the portable building next to the Auditorium and are accessed from the main College car park. Opening times are Monday 3-3:45pm and Friday 8:30-9am. Order forms are available at the College office and queries can be directed to either newuniforms@kings.vic.edu.au or useduniforms@kings.vic.edu.au
